

2023 & 2024 RIVER CRUISES

CRUISING ELEVATED

WE'RE ALL SMILES.

SO MUCH TO CELEBRATE!

While we were busy delivering first-rate service to our guests on Avalon Waterways, it seems a few people noticed. We're humbled and happy to share kudos we've received from some of the industry's most respected experts in river cruising, including readers and editors of Cruise Critic, Cruise Passenger & USA Today. It seems we've struck the right note with our award-winning Panorama SuitesSM, Open-Air BalconiesSM, Panorama Windows, exceptional shore excursions, and flexible dining options. But we're not ones to rest on our laurels. Our biggest reward is creating happy guests—from the first throw of the bowlines to the last drop of the anchor.

It's the Avalon difference, and it doesn't get much better than that!

WIDE OPEN WONDER.

IT DOESN'T GET ANY SUITER.

No other fleet of river cruise ships offers you a view of the world like Avalon Suite ShipsSM, featuring our award-winning Avalon Panorama SuitesSM. Thirty percent larger than the industry standard, they're river cruising's only Open-Air BalconySM—with nothing between you and the view. While other river cruise cabins are designed with beds against a wall for a view of another wall, our Comfort CollectionSM beds actually face the view with the widest-opening, wall-to-wall, floor-to-ceiling panoramic windows in river cruising.

Think of it as a view with a room!

SMALLER SHIPS. BIGGER EXPERIENCES.

SERIOUS SPACE FROM STEM TO STERN.

Aboard our intimate yet spacious, award-winning Suite Ships, “crowd pleasing” is not in our vocabulary. In fact, we don’t like crowds at all. Instead, our magnificently modern, best-in-class ships average just 150 guests – some much less – to give you the space, the time, and the attention you deserve on holiday. Designed from the bottom up for comfort, space, and room to dream, each Avalon Suite ShipSM consists of 80% Panorama SuitesSM—offering the widest view in river cruising.

Larger suites result in fewer passengers, so you’ll never feel crowded anywhere on board. From reclining on the open-air Sky Deck, relaxing in the spacious Panorama Lounge, or feeling the wind over the bow in the Observation Lounge, there’s never a shortage of comfortable spots to stretch out, day dream, or just watch the world go by.

WHIM-POWERED CRUISING.

CURATE YOUR CURIOSITIES.

As you set sail on the world's most legendary waterways, we've curated a collection of the most intriguing experiences to immerse yourself in – both on board and on shore. With the wind in your hair, whim in your heart, a world of possibilities on every Avalon cruise, just point your compass toward the adventure you please!

THE ADVENTURE IS UP TO YOU.

AVALON CHOICESM

CLASSIC Nothing beats the classics, especially when it comes to travelling back in time to bygone eras. Avalon's Classic excursions present a colourful collection of guided walking tours through ancient fortresses, capitals, and castles, telling timeless tales to create your own storybook adventure.

DISCOVERY An awakening for the senses, Avalon's Discovery excursions present heartwarming, brain-tlingling, hands-on experiences. Pull up a chair to hear a Viennese waltz, roll up your sleeves to paint like Van Gogh, or grab an apron to whip up a local delicacy.

ACTIVE If exploring under your own steam is more your style, Avalon's Active excursions pack the get-up-and-go into every cruise. Paddle a kayak, pedal a bike, or put on your hiking shoes to see the world your way with heart-pumping adventures.

Personalise your river cruise experience even more with optional excursions that speak to you. Take plenty of free time to explore on your own—without getting lost. Our AvalonGO mobile app puts it all at your fingertips. Your Avalon Adventure HostSM can point you in the right direction for active exploring with gear from our Adventure Center.

Explore even more adventures with active pursuits and cultural discoveries on an Avalon Active & Discovery Cruise.

SAVOUR THE LOCAL FLAVOURS OF THE WORLD.

Avalon shares the flavours of the world with the freshest local ingredients prepared by our talented chefs and served in your choice of venues on board. Our FlexDining® approach to onboard dining experiences has tossed out the idea of restrictive seating times in limited settings. We've brought back the question, "Where should we eat?" to the cruise experience. Choose from options like a breezy al fresco lunch at the Sky Grill, an elegant four-course dinner in the glass-walled dining room, or a more casual culinary setting in the Panorama Bistro. Whichever table setting you choose, you'll savour local flavours as well as the familiar favourites you love. On an Avalon cruise, dining is part of the journey.

LOCAL. HEALTHY. INGREDIENTS.

AVALON FRESH®

Who says healthy cuisine can't be inspiring? On an Avalon Waterways river cruise, you can take an indulgent holiday without drifting from your healthy habits. Our Avalon Fresh selections are exclusively created in collaboration with Austrian brothers Leo and Karl Wrenkh, leading chefs in the healthy-dining movement. Using the freshest ingredients from local farms and suppliers, our chefs create flavourful dishes with a dash of innovation. These creative yet wholesome options are available at every meal we serve on board. Whether you're looking for an energising juice at breakfast, an artfully crafted salad at lunch, or a satisfying plate at dinner, Avalon Fresh steps up to the plate with the perfect ingredients to fuel your day.

Visit our website to learn more about Avalon Fresh, available on our European fleet.

The Company (or the tour operator if applicable) reserves the right to change the itinerary whenever conditions, in the opinion of the Master of the Ship or local waterways regulations, render it advisable or necessary.

DOUBLE DOCKING

Docking positions at each port are assigned by local authorities. River cruise companies have no control over where they can dock. This can sometimes result in double-docking – when more than one ship is assigned to the same dock and the ships are rafted together, temporarily obstructing the view. When double-docked you might be required to pass through another vessel to embark or disembark. In those cases, you will have to follow the instructions given by the Master or the crew of the vessel you will pass through. The Company (or the tour operator if applicable) will not be responsible for any inconvenience or injury sustained as a consequence of embarking or disembarking not under the direct control of The Company (or the tour operator if applicable) for reasons of such assignment.

RIVER, CANAL, LOCK & DOCK MAINTENANCE

River and other local authorities often need to carry out repair or maintenance work on the river or canal banks, stretches of river or canal, bridges, locks or docks, or other areas that may impede river cruise travel. This is frequently undertaken with little or no advance notice to river cruise operators, and can cause The Company (or the tour operator if applicable) to make changes to the published itinerary or to operate part of the itinerary by substitute vessel, motorcoach or hotel accommodation with little to no advance notice. These events are beyond our control, and The Company (and/or the tour operator if applicable) will not be responsible for any loss, expense, or inconvenience caused by reasons of such changes.

TRIP DOCUMENTS

It is your responsibility to obtain and have in your possession proper and valid documentation required for entry and departure for each country you travel. RESPONSIBILITY

THE COMPANY

International Holiday Ltd. is an independent company ("The Company") licensed to market and distribute travel products under the Globus, Cosmos, and Avalon Waterways brand names, either made on their own or packaged by the tour operators. Trip services, including, but not limited to, transportation, sightseeing, and accommodations are provided by third-party suppliers.

Subject to clauses above, The Company is responsible for providing the services on the basis set out in and described in these terms, including arranging transportation, sightseeing, and accommodation. All references to The Company include its agents and employees.

COMPANY REPRESENTATION

No person, other than an authorised representative of The Company by a document in writing, is authorised to vary, add, or waive any Term or Condition on its brochure or website, including any term or condition set forth in the preceding provisions.

A provision of these Terms may not be waived or varied except in writing, signed by the party or parties to be bound.

INTERNATIONAL CONVENTIONS & TREATIES

The international carriage of passengers is subject to international conventions and treaties, where applicable. These international agreements limit and, in some events, exclude the carrier's liability to passengers (trip participants). To the extent permitted by any relevant local law, where any claim or part of a claim (including those involving death or personal injury) concerns or involves any travel arrangements (including the process of getting on or off the transport concerned) provided by any air, sea, inland waterways, rail or road carrier, or any stay in a hotel, The Company's maximum liability is the maximum that would be payable by the carrier or the hotel keeper concerned under the applicable international convention, treaty, or regulation applicable to the travel arrangements or hotel stay (e.g., the Warsaw Convention, the Montreal Convention for international travel by air, the EU Regulation on Air Carrier Liability for air carriers with an operating license granted by an EU country, the Athens Convention for international travel by sea) in that situation.

LIABILITY

To the extent permitted by law, the trip participant agrees that, to the maximum extent allowed by applicable law, neither The Company nor its affiliates shall be liable for any damage, loss (including personal injury, death, and property loss), or expense occasioned by any act or omission of any supplier (including any Service Providers) providing services, any insurer, or any other person.

To the extent permitted by law, the Company:

- limits its liability to you for breach of any non-excludable guarantees to the supplying of the service again or the payment of the cost of having the service supplied again; and
- excludes all liability including liability for any loss, damage, costs and expenses whatsoever (including personal injury, death and property loss) that may arise in connection with or arising out of your holiday and liability under implied conditions, and warranties and guarantees.

Nothing in these terms and conditions is intended to restrict, modify or limit any rights or guarantees that you may have under the Consumer Guarantees Act 1993. Despite anything else contained in these terms and conditions the parties agree and acknowledge that if they are both in trade, and that the goods and services supplied by The Company and acquired by you are supplied or acquired in trade, that the provisions of the Consumer Guarantees Act 1993 will not apply to the agreement between us.

RECREATIONAL SERVICES EXCLUSION

To the maximum extent allowed by applicable law, The Company expressly excludes all liability for: (a) death; (b) a physical or mental injury of an individual (including the aggravation, acceleration or recurrence of such an injury of the individual); (c) the contraction, aggravation or acceleration of a disease of an individual; or (d) the coming into existence, the aggravation, acceleration or recurrence of any other condition, circumstance, occurrence, activity, form of behaviour, course of conduct or state of affairs in relation to an individual that (i) is or may be harmful or disadvantageous to the individual or community, or (ii) may result in harm or disadvantage to the individual or community.

Where liability cannot be excluded, The Company limits its liability to the maximum extent permitted by law.

SERVICE PROVIDERS

Air carriers, accommodations, and other suppliers (including but not limited to suppliers of trains, cruises, ferries, motorcoaches, hotels, excursions, and restaurants) providing services (Service Providers) are independent third-party contractors and are not agents, employees, servants, or joint venturers of The Company or its affiliates.

From time-to-time, and for the purpose of identifying those Service Providers as the provider of a component or part of a cruise, package or tour, some or all of those entities may utilise the name "Globus, Cosmos, or Avalon Waterways" on promotional media, signage, or attire. Although you may see The Company name on vehicles, signs, apparel, or elsewhere during your cruise, tour, or excursion, its use by Service Providers is solely for the purpose of identification and does not represent or signify in any way ownership, management, supervision, direction, or control, or the right to direct or control by The Company of services that are provided by the Service Providers, or of the employees, servants, or agents of the Service Providers.

All certificates and other Trip Documents for services issued by The Company are subject to the Terms & Conditions specified by any of our Service Providers, which are available upon request, and to the laws of the countries in which the services are supplied.

SERVICE RESPONSIBILITIES

After departure, if the Services included in the trip cannot be supplied or there are changes in an itinerary for reasons beyond the control of The Company (or the tour operator if applicable), depending on the circumstances, The Company (or the tour operator if applicable) will take reasonable action to arrange for the provision of comparable services. Any resulting additional expense will be the responsibility of trip participants, and any resulting savings will be refunded by The Company (on behalf of the tour operator if applicable) to trip participants.

DISPUTES

These terms and conditions are governed by and subject to the laws of New Zealand. Legal proceedings against The Company may be instituted only in a court within New Zealand, and any claim involved in such proceedings shall be decided in accordance with New Zealand Law. To the fullest extent permitted by law, nothing expressed or implied

in these Terms & Conditions will confer any liability on the Company nor any affiliate in respect of any:

- indirect, consequential or special loss, damage, cost or expense suffered or incurred by you as a direct or indirect result of a breach by the Company or our affiliates of any of our obligations under these Terms & Conditions; or
- loss, damage, cost or expense suffered or incurred by you, to the extent to which this results from any act or omission by you.

References to any statutory provision include any statutory provision which amends or replaces it, and any by law, regulation, order, statutory instrument, determination or subordinate legislation made under it.

The parties further agree that claims may be brought by parties only in their individual capacities and not as plaintiffs or class members in any class action, proposed or purported class action, or other representative action, regardless of the type of proceeding. The parties expressly agree to waive and forego any and all rights to bring any such class actions, purported or proposed class actions, or representative actions.
